Jukebox™

Inspired by handlettering of the '50s and '60s, Jason Walcott of Jukebox evokes the golden age of Madison Avenue with modern homages to the signpainter's art, and revives forgotten faces. A treasure trove of typographic Americana, available exclusively at Veer. See the entire collection at:

veer.com/jukebox Only at Veer

Make the most of your debutante ball

Now Accepting Applications

Mountains of Switzerland
Snowy Peaks!

Matterhorn (aka Cervino)

The Alps

Bordering Italy and France

Enjoy some of the world's finest skiing and chocolate, all at once.

Absolutely Not

This is not that kind of establishment

We run a tight ship

It's a water fountain, not a swimming pool

Seriously, sir!

Please take your things and go

*In the summer,
we'd race horses and sleep in the stable
'Til September
Oats in our pockets and hair
Falling out at school
and into Winter*

Northern Soul Mod Party

Stax of wax of the hottest trax

Detroit sound!

Last chance for a slow dance

My dance card's full

Hey. Did you hear?

OHMIGAWD!

What's up with that?!

She did NOT!

TRAITOR! LIES! DECEIT!

Quite some operation you got here

ROTF LMHO

rolling on the floor laughing my head off

LOLSHINS

laughing out loud so hard i nearly sneezed

BRBAIGST

be right back after i get some toast

Peter met a duck

“What kind of bird are you if you can’t fly?” said he.

Duck replied,

“What kind of bird are you
if you can’t swim?”

and laughing, dove into the pond

**WARNING:
SECRET NINJA MOVES
DONKEY KICK
TINY BITING DRAGON
BLAM!
PUNCHING CRANE
LOTUS FLOWER THROAT CRUSH**

One two three, One two three

High Kick!

A short history of the Rockettes.

FOUNDED 1925

Kick! Turn! Spin!

Overnight Sensation

Belles of Broadway
36 girls dancing “as one”
Radiant Energy

Radio City Ambassadors to the world

Synchronized

JAZZ, BALLET, & MODERN

Applicants must be between 5’6” and 5’10”

Innocence

Eat another hamburger and fries

Roller Derby

Bobby-soxers everywhere

45's and sodajerks

(no-one knew they were bad in '53)

Ampelmann

Friend to children and adults

Cross when he does

Wait for him in green and walk carefully

Make street-crossing fun!

Stay Alive

Ampelmann's got your back

The most powerful online type spec tools are at veer.com

Veer's type tools let you test type online before you buy. See search results in the words you choose. Preview any face with Flont™ Compare faces side by side. See every character including OpenType glyphs.

Go to veer.com/type

Get every face in this book, and more.

Save over 55% when you buy the complete Jukebox library.

The Jukebox type library – American classics you’ll find hundreds of uses for. Beautiful scripts, arresting display faces, and remarkable revivals. It’s an investment that pays huge creative dividends.

Save over 55% when you buy the *Jukebox Type Library*.
Over 100 faces for \$1,999. See every face at veer.com/jukebox

Type from Veer. Choose from over 6,000 fonts from renowned libraries and independent type designers. Typefaces are provided as digital files via download from the Veer web site. Complete libraries are provided on CD. Search the Veer web site by typeface name or style, or browse libraries.

We’ll help you find it, then get it working. Not sure what you’re looking for? Need help identifying a font? Contact us. We know our libraries inside out, and even some we don’t carry. E-mail or fax us type samples. We love a challenge. Once you have the font you want, we can help you – from downloading to installing, from PostScript to OpenType, Mac or Windows.

Extend your licensing. Typefaces from Veer come with a standard end user license. To use typefaces on additional computers, or as corporate faces in larger offices, contact us.
