A FIELD GUIDE TO PEOPLE

FROM THE PEOPLE WHO PHOTOGRAPH PEOPLE

Your guide is illustrated using new images from our Fancy collection of deluxe royalty-free photography. Fancy photographers are renowned for their dedication, immersing themselves in the natural habitats of people and living among them as one of their own. Using the latest technological advancements, they capture people's activities in a growing collection of stylish images.

Fancy photography is available only at Veer, an authoritative source of photography, illustration, and type.

IN SUBURBIA

IN THE CITY

Behold, the concrete jungle. Day and night, people wander the metropolis in search of food, entertainment, and one another. They navigate the busy warren of streets in herds of yellow taxi cabs. Crowding the sidewalks, they move from shop to shop in the ritual dance of consumerism.

DISTINGUISHING CHARACTERISTICS

● **ATTIRE:** headphones, heels, designer labels ● **ACCESSORIES:** cell phones, newspapers, briefcases ● **DWELLINGS:** cafés, parks, theaters, bus stops ● **DIET:** lattes, bagels, martinis, takeout ● **PREDATORS:** traffic, alleys, puddles, potholes
